### About This Game

Tricked by a wicked android witch, you must seek a path home and escape the simulated world of Arca. Fully integrated across all major VR platforms, with intuitive hands-free gameplay, Arca's Path is an atmospheric VR gaming experience.

**A Dark Fairytale** – Enter the simulated world of Arca and unlock the truth, in a truly immersive VR gaming experience.

**Challenging Physics-based Gameplay**– Find your path through 25 levels of stunning crystalline landscapes.

**Hands-free Control** – Head tracking VR technology uses your gaze to intuitively lead the character's sphere with skill and precision.

**Ambient Soundtrack** – Experience the chilled experimental electro music of Ninja Tunes artist, Raffertie.
