Edy

The one, the only, the gorgeous Edy Nelson, at your service! The pleasure's all yours, I know.

1 extra mission, 1 non canon character from VC 1 and 1 weapon (which is outclassed after third story mission). Its a fun little addition and it only add value to other DLCs since you get this one for free when you buy at least one DLC for the main game.. It's good that they are giving this away instead of selling it. Not worth any money, but a good mission for free.
